PLUT SOFT

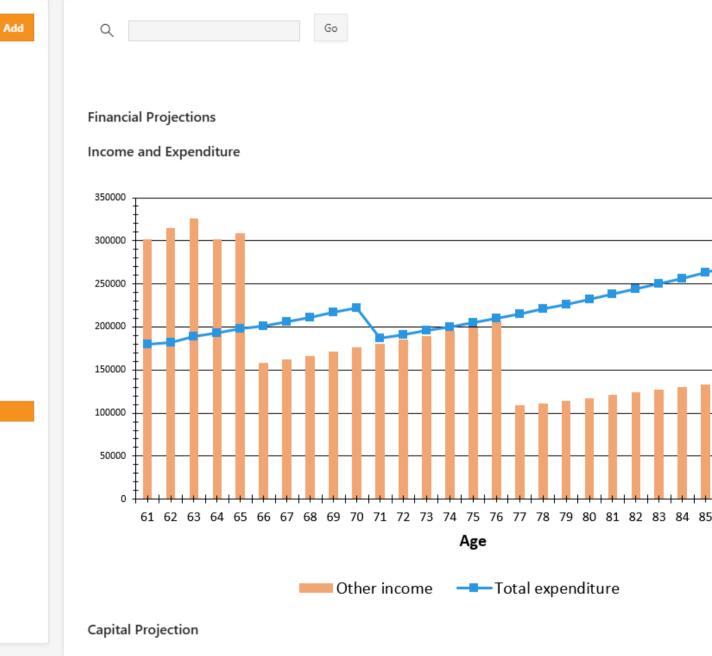

Plutosoft achieved the highest NPS in the CRM category of the Adviser Ratings 2024 report, strongly leading many of the legacy incumbents! (the chart shows NPS across all categories).

### AUTOMATE ADVICE DOCUMENTS

Produce advice documents in minutes not days with ease and precision. Its intuitive design builds the advice as you progress. Easily customise reports to conform with your requirements - we also offer an extensive template library.

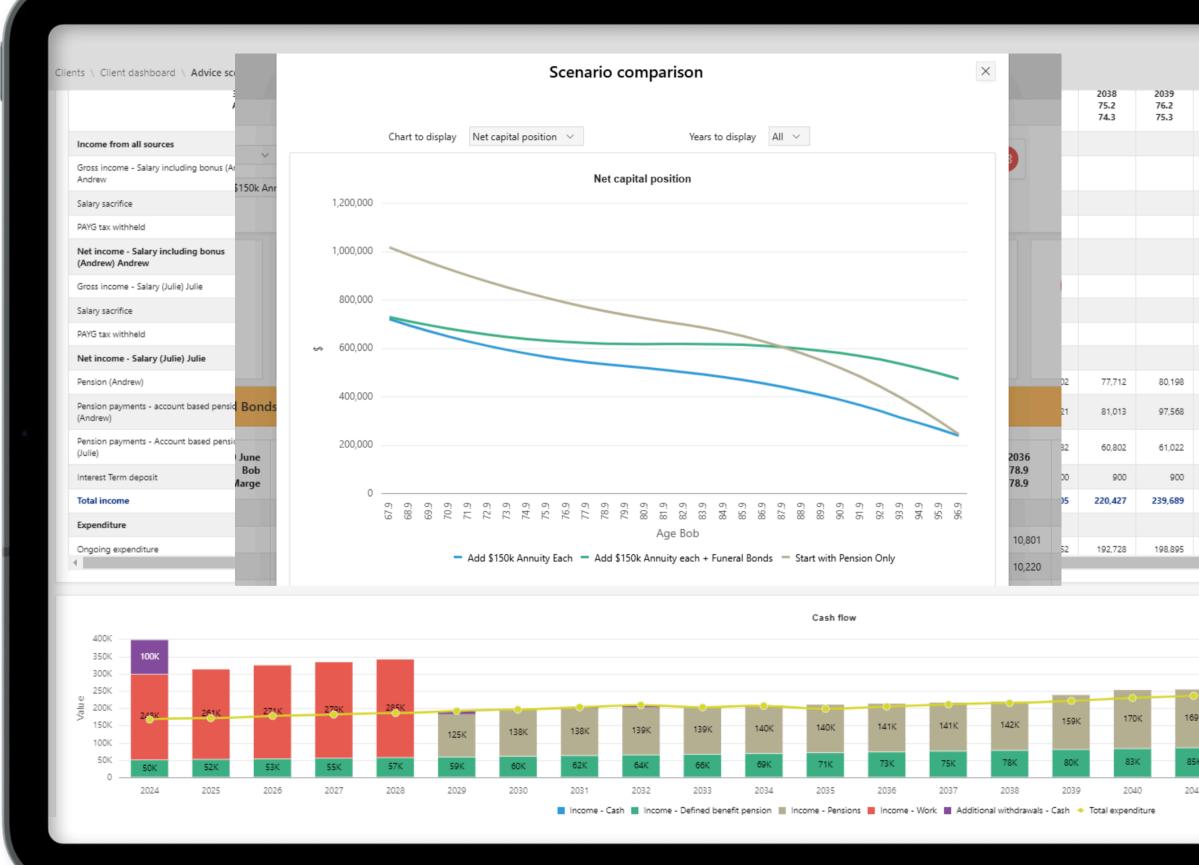

### **INTERACTIVE MODELLING**

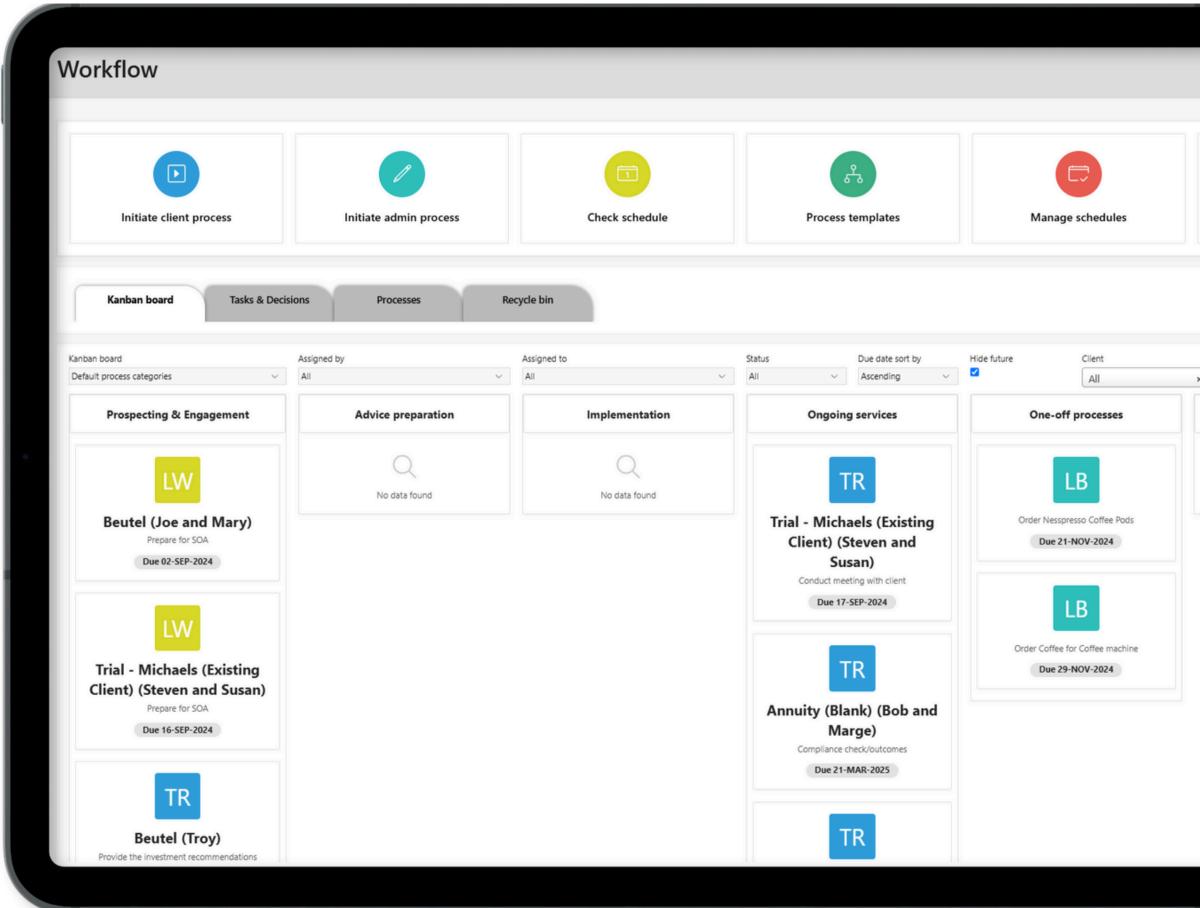

You can conduct cash flow modelling directly in front of your clients with our smart, comprehensive and easy to use modelling tool. Create multiple scenarios for clients to compare different strategies.

### **WORKFLOW & COMPLIANCE**

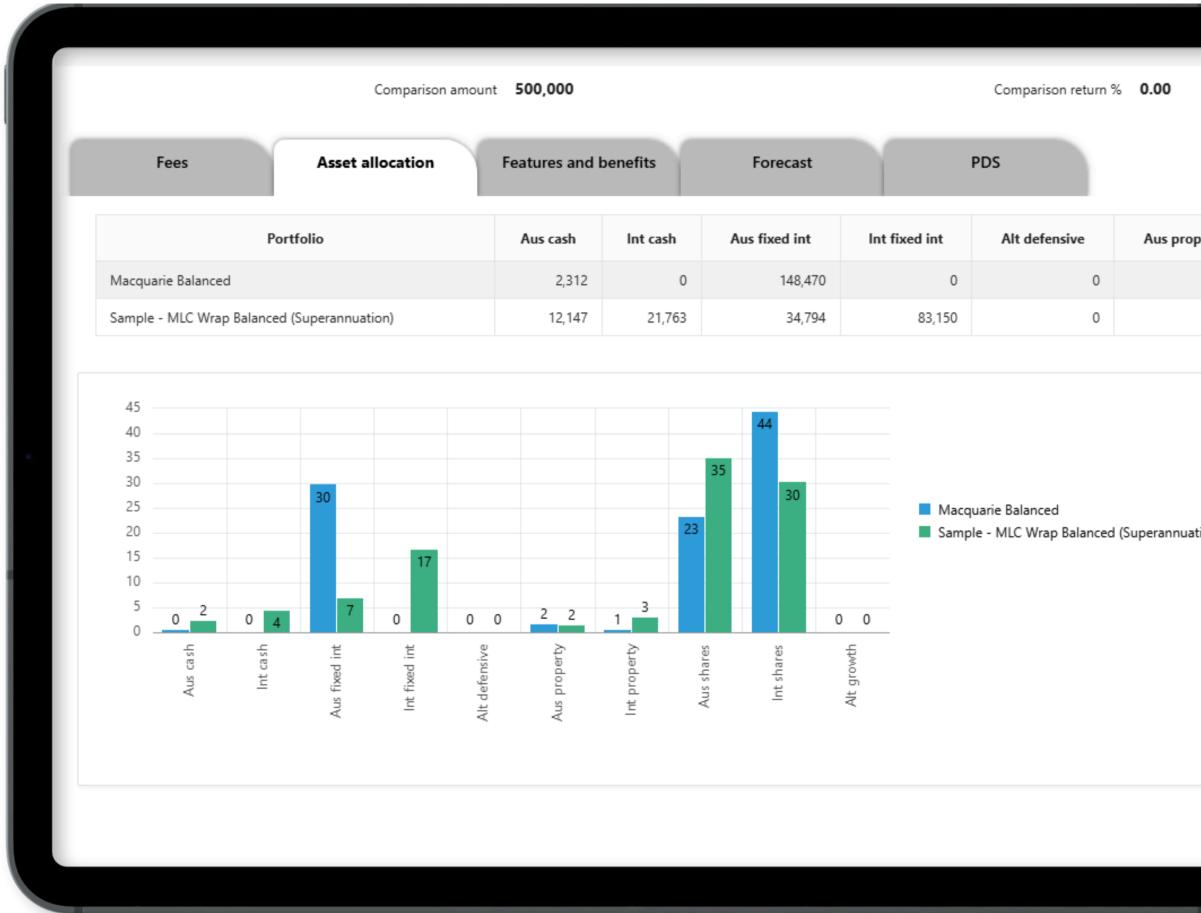

Easily build comprehensive workflows with notifications. Get an instant overview of every task and decision across your firm. The software automates and tracks compliance deadlines. Choose a regular workflow view or kanban board.

#### **PRODUCT RESEARCH & COMPARISONS**

Compare insurance products, superannuation funds and investment platforms right within the system. We partner with the most respected research companies in the industry.

### **CLIENT PORTAL**

Enable clients to add fact-find data prior to meetings - syncing directly with your adviser hub. Clients can view assets, liabilities, and financial projections, while you can share scenarios after meetings. The portal is customisable with your practice's branding. We also offer digital document signing.
